This Annual Report for the Town of Hebron is dedicated to Peter C. Fortescue in grateful appreciation for his many years of dedicated, faithful service to the Town of Hebron. Peter served on the Board of Selectmen from 1977 to 1992, as well as on other committees and boards. His service to the Town always exemplified frugality, honesty, and faithfulness. Hebron appreciates your efforts.

Thank you Peter!

2003 TOWN WARRANT

To inhabitants of the Town of Hebron, in Grafton County, in the State of New Hampshire, you who are qualified to vote in Town affairs:

You are hereby notified to meet at the Community Hall in Hebron on Tuesday the 11th day of March 2003 next, at 11:00 A.M. to act upon the following subjects:

- ARTICLE 1. To choose all Town Offices for the ensuing year by official ballot. The polls will open at 11:00 A.M. and close at 9:00 P.M., and the business meeting will commence at 7:00 P.M.
- ARTICLE 2. To see if the Town will authorize a two percent discount on property taxes if paid within thirty days of the date of the bill.
- ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of Five Thousand One Hundred dollars (\$5,100) to provide programming in the Gazebo on the Hebron Common for fiscal year 2003. Said funds to be administered by the coordinators.
**This is a special Warrant Article. (Recommended by the Selectmen)*
- ARTICLE 4. We, the undersigned as property owners and voters of Hebron, hereby petition the Selectmen to raise and appropriate the sum of Twenty-Five Thousand dollars (\$25,000) to pave Brookside Lane.
**This is a special Warrant Article. (Recommended by the Selectmen)*
- ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand dollars (\$20,000) to grind, gravel, and repave Cooper Road from the bridge to Brookside Lane.
**This is a special Warrant Article. (Recommended by the Selectmen)*
- ARTICLE 6. To see if the Town will raise and appropriate the sum of Forty-Two Thousand dollars (\$42,000) to redo the tax maps.
**This is a special Warrant Article. (Recommended by the Selectmen)*
- ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of Two Thousand Nine Hundred dollars (\$2,900) to purchase a digital radio for the police department.
**This is a special Warrant Article. (Recommended by the Selectmen)*
- ARTICLE 8. To see if the Town will vote to create a Non-Capital Reserve Fund entitled Emergency Contingency Fund (per RSA 35:1-c) and raise and appropriate the sum of Five Thousand dollars to fund it. The Selectmen will be agents to expend said funds.
(Recommended by the Selectmen)
- ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of

Ninety-Five Thousand dollars (\$95,000) for the following capital reserve funds:

Ambulance	\$12,000.00
Bridges	\$10,000.00
Communications	\$ 2,000.00
Fire	\$12,000.00
Highway	\$12,000.00
Town Hall	\$10,000.00
Police	\$ 6,000.00
Public Safety Building	\$30,000.00
Highway Shed	\$ 1,000.00
<i>(Recommended by the Selectmen)</i>	

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Five Hundred dollars (\$13,500) to purchase two generators to provide emergency power to the Town shed and Selectmen's Office.
(Recommended by the Selectmen)

ARTICLE 11. We, the undersigned as property owners and voters of Hebron, hereby petition the Selectmen to increase the veterans exemption from the present \$50 to 100, as allowed under RSA 72:28a. This must be voted by ballot.
(Recommended by the Selectmen)

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$15,000.00 for the purchase of radios for the Hazardous Mitigation Committee and authorize the Selectmen to withdraw \$7,500.00 from the Communications Fund.
(Recommended by the Selectmen)

ARTICLE 13. We, the undersigned as property owners and voters of Hebron, hereby petition the Selectmen to discontinue the service of plowing private roads and driveways.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Five Hundred Twenty-Nine Thousand Two Hundred Sixty-eight dollars (\$529,268) to defray charges for the ensuing year. This article EXCLUDES all previous warrant articles.
(Recommended by the Selectmen)

Given under our hands and seals this 11th day of March, 2003.

Hebron Board of Selectmen
Bruce D. MacDougall, Chairman
John W. Matthews
Sherburn C. Ramsay

2002 TOWN MEETING MINUTES

The annual meeting of the voters of Hebron was called to order by the Moderator, Everett N. Begor, Jr., at 11:20 A.M.

ARTICLE 1. The polls were declared open for voting for Town officers, for amendments to the town-zoning ordinances, for Officers of the Newfound Area School District, and for Warrant Articles for the Newfound Area School District. All the results are recorded on separate sheets. The results of the School votes were sent to the Newfound Area School Clerk on March 14, 2002. There are 372 voters on the Hebron checklist and 184 votes were cast. The business portion of the meeting was called to order at 7 P.M. After the Salute to the Flag and a moment of silence, and the introduction of the Selectmen (Bruce Barnard, Bruce MacDougall, and John Matthews) and other election and Town officials, Moderator Everett Begor read the rules of the meeting.

Before the 2002 Articles were acted upon, Chairman of the Selectmen Bruce Barnard went over some of the articles from last year's Town Meeting and gave an update on what has been done since then. Articles 4—monies appropriated have been spent. Article 5—\$3,300 has been spent and the rest will be used in 2002. Article 6—the revaluation is going on now and the balance will be spent in 2002. Article 7—all the monies raised have been spent. Article 8—the plans for the safety building are complete and ready for when and if the Town decides to appropriate money for building (probably 2004). There is a \$18,000 balance in the fund. Articles 9 and 10—the properties have been sold and the money received by the Town. Article 11—an auditing firm has been hired and will be doing the Town books in May. Article 13—the money has not been spent, but it is anticipated it will be added to the amount to be raised in 2002. Article 15—all the monies raised have been turned over to the Trustees of the Trust Funds.

It was brought to the attention of the audience that the screen and Power Point projector in the Community Hall and the screen in the Planning Board Office were purchased from the Communication Capital Reserve Fund last year.

Bruce Barnard also explained the new verbiage at the end of each 2002 warrant article.

Bruce MacDougall presented Bruce Barnard with a plaque as a token of appreciation for his 27 years as Selectman in the Town of Hebron. The audience gave Bruce Barnard a prolonged standing ovation, and he responded by thanking his wife, Jinny, and the people of Hebron.

ARTICLE 2. The Town Zoning ordinance amendments were voted by ballot and the results are recorded on a separate sheet.

ARTICLE 3. John Matthews moved and Mary Campbell seconded the motion to see if the Town will authorize a two percent discount on property taxes if paid within thirty days of the date of the tax bill.

The article passed unanimously by voice vote.

ARTICLE 4. Bruce MacDougall moved and Ed Gempka seconded the motion to see if the Town will vote to raise and appropriate the sum of \$4,100 to provide programming in the Gazebo on the Hebron Common for fiscal year

2002. Said funds to be administered by the coordinators. This is a Special Warrant Article. Bruce MacDougall deferred to the Coordinators Everett Begor and Jane Ramsay. Jane Ramsay gave a rundown on the proposed program for this summer and Everett Begor asked for a straw vote from the people to see who they wanted to entertain on Family Fun Day. Their selection of Joe Perham, Maine humorist, at \$600 would save some money, but the people voted the article as written with the idea that any leftover money could be used for another concert or performer for the summer of 2002.

The article passed unanimously by voice vote.

ARTICLE 5. Bruce Barnard moved and Ed Gempka seconded the motion to see if the Town will vote to raise and appropriate the sum of \$31,000 for paving projects to include George Road, the area around new culvert on the east end and west end by the Poulos property tax map 8.016.003, and to pave approaches for the following dirt roads: Pike Hill Road, Crescent Lane, both ends, Stone Gate Road and Lake Shore Drive. This is a Special Warrant Article. Bruce Barnard spoke to the motion and used the power point projector to show the location of the work to be done and the conditions as they exist now.

The article passed with a unanimous voice vote in the affirmative.

ARTICLE 6. Bruce Barnard moved and Bill Gabler seconded the motion to see if the Town will vote to raise and appropriate the sum of \$6,500 to replace the drainage system at Crescent and Loon Island Lane. This is a special Non-Lapsing Warrant Article for a period of four years.

Bruce Barnard explained, again using pictures to show that the existing drainage system, which had been installed in 1975, was leaching rust onto the beach area and into the lake. The new system would use a plastic culvert from two precast catch basins and should last about 50 years.

The article passed with a unanimous voice vote in the affirmative.

ARTICLE 7. Bruce Barnard moved and Marie Gardner seconded the motion to see if the Town would vote to raise and appropriate the sum of \$28,000 to grind, gravel, and repave Cooper Road from North Shore Road to Ramsay's driveway. This is a Special Warrant Article. The area to be done is about ¼ mile and the width of the road would be 20'. It was asked if anything would be done to the bridge below Stoneybrook Road, and Bruce Barnard said it would be checked to be sure it was safe. The company GMI Paving can do the grinding, put 6" of bank run gravel on, do the final grading and pave the road. GMI can also tie into the other projects in Article 5, which should save some money.

The article passed with a unanimous voice vote in the affirmative.

ARTICLE 8. Bruce MacDougall moved and Alan Barnard seconded the motion to see if the Town will raise and appropriate the sum of \$122,000 for the following Capital Reserve Funds:

Police	\$6,000
Fire	\$50,000
Highway Equipment	\$12,000
Communications	\$1,000

EMS	\$12,000
Bridges	\$10,000
Town Meeting Hall	\$15,000
Town Highway Shed	\$1,000
Public Safety Building	\$15,000

Bruce MacDougall explained that the total amount to be placed in the Capital Reserve Funds was just \$5,000 more than last year.

The article passed unanimously with a voice vote in the affirmative.

ARTICLE 9. Bruce MacDougall moved and Maynard Young seconded the motion to see if the Town will raise and appropriate the sum of \$243,000 for a new fire truck and to authorize the Selectmen to borrow \$49,000 for a 1-year note and to withdraw \$194,000 from Capital Reserve fund entitled Fire (purpose of fund) for Capital Expenditures. This is a Special Warrant Article.

Bruce Barnard made a motion (seconded by John Matthews) to amend the motion to delete the words “borrow \$49,000 for a 1-year note” and insert the words “transfer \$49,000 from the Fund Balance.” Bruce Barnard explained that the \$49,000 from the Fund Balance was surplus money and that amount would not reflect on the tax rate. The amendment passed with a unanimous voice vote in the affirmative.

Bruce MacDougall deferred to Fire Chief John Fischer who gave a visual history of the Fire Department and its equipment and said the new fire truck would increase the department’s capability, combine functions, increase fire fighting productivity and preserve the ISO insurance rating and keep the Town (buildings within 5 miles of the station) at a #9 insurance rating. The truck would probably be put out to bid in May and be ready for delivery in 2003. It was asked if Groton would be contributing more because they would benefit from the new fire truck. Chief Fischer said the Selectmen were in charge of negotiating what was paid to Hebron for the service, but he hoped the amount would increase.

The article, as amended, (which now read “To see if the Town will vote to raise and appropriate the sum of \$243,000 for a new fire truck and to authorize the Selectmen to transfer \$49,000 from the Fund Balance and to withdraw \$194,000 from the Capital Reserve fund entitled Fire (purpose of the fund) for Capital Expenditures.”) passed with a unanimous voice vote in the affirmative.

ARTICLE 10. John Matthews moved and Marie Gardner seconded the motion to see if the Town will raise and appropriate the sum of \$3,000 for the upgrade and purchase of computer software. This is a Special Warrant Article. John Matthews explained that the present DOS system needs to be changed to Windows, and the assessors information and the new tax program needed updating. The remaining money would be used for annual support and training.

The article passed with a unanimous voice vote in the affirmative.

ARTICLE 11. John Matthews moved and Ed Gempka seconded the motion to see if the Town will vote to raise and appropriate the sum of \$26,000 for miscellaneous renovations at the Old Schoolhouse, these renovations to consist of painting, paving, and landscaping, and to authorize the Selectmen to

transfer \$26,000 from the Fund Balance. This is a Special Warrant Article.

Bruce Barnard made an amendment, seconded by Nancy Howard, to delete the words "consist of" and substitute "include, but are not limited to," delete "paving" and substitute "wiring," and delete "Special" and substitute "4-year Non-lapsing." The amendment passed with a unanimous voice vote in the affirmative.

Bruce Barnard deferred to John Matthews who said that the building is very old and more needed to be done than had been anticipated. A new hot water heating system which would heat both floors independently, updated wiring to meet the needs for the equipment, the completion of the interior painting, possible pressure washing of the outside and/or exterior painting, landscaping in front, and a handicapped access to the front door were things that needed to be done. The Selectmen had planned to take some of the money that had been appropriated to renovate Memorial Hall for the projects, but now money unexpended must be turned back into the General Fund after two years unless it is stated as a Non-lapsing Warrant Article for a specific number of years. The money previously appropriated for Memorial Hall is part of the General Fund and must be brought to another Town Meeting before it can be used for that purpose.

The article as amended (To see if the Town will vote to raise and appropriate the sum of \$26,000 for miscellaneous renovations at the Old Schoolhouse, these renovations include, but are not limited to painting, wiring, and landscaping, and to authorize the Selectmen to transfer \$26,000 from the Fund Balance. This is a 4-year Non-lapsing Warrant Article.) passed with a unanimous voice vote in the affirmative.

ARTICLE 12. Bruce Barnard moved and Alice Kirby seconded the motion to see if the Town will vote to raise and appropriate \$465,421 to defray charges for the ensuing year. This article excludes all previous warrant articles.

Jay Matthews made an amendment (seconded by Lee Alexander) to increase the amount by \$3,500 with the intent to increase line 4191 Planning, Zoning, Historic. He said the extra money was needed to cover the costs of printing the Master Plan which was going to be worked on this year. The amendment passed with a unanimous voice vote in the affirmative.

Bruce Barnard explained the budget and the proposed increases which occurred in the General Government: Executive (salary increases), Election (a State election this fall), Sanitation (a fixed amount for the Hebron-Bridgewater Incinerator), and the Debt Service (Town Highway Building) ***The article, as amended, (To see if the Town will raise and appropriate the sum of \$468,921 to defray charges for the ensuing year. This article excludes all previous warrant articles.) passed unanimously with a voice vote in the affirmative.***

The business portion of the meeting ended at 9:15 P.M. The polls were kept open for anyone who had not had a chance to vote. The meeting was adjourned at 9:25 P.M.

HEBRON POLICE REPORT

The year 2002 came and went quite fast, but the Hebron Police Department still had a total of 956 calls for service through Grafton County Sheriff's Dispatch. 911 calls were nearly 50% higher this year with over 54 responses or investigations.

Traffic violations and accidents were of high priority, second only to domestic violence incidents and child cases. We had several very serious accidents, but fortunately no fatalities this year. Criminal activity was on the lower side. This can be attributed to the extended Mutual Aid agreements with neighboring police departments where response for assistance puts more marked cruisers in the area. This was also very helpful during bike week this past summer where the police departments presented a high profile on Rt. 3A and in town the entire week without any major incidents.

The department received a new laptop computer on a State Program for the new accident reporting system, which Officer Gabler and I attended a seminar at Plymouth State College for, this past summer. In addition, the department recently purchased a computer system to be compatible with other agencies local, state, and federal.

The officers of the Hebron Police Department wish to thank the Selectmen and the citizens of Hebron for their continued support of the department as well as providing the necessary funding for us to serve you.

Respectfully submitted,
Harold R. Reilly, Sr., Chief
Lt. William White
Officer William Gabler
Officer Jeffrey Somers

HEBRON FIRE DEPARTMENT

In 2002 the Hebron Fire Department responded to 148 calls. This compares with 146 calls in 2001, 113 calls in 2000, and 135 calls in 1999. The type of incidents breaks down as follows:

- 96 medical emergencies including motor vehicle accidents
- 4 structure fires
- 5 requests for mutual aid
- 1 car fire
- 8 wires down
- 7 alarm activations
- 5 smoke investigations
- 3 chimney fires
- 2 wildland fires
- 9 outside fires
- 5 illegal outside fires
- 1 LP gas fire
- 1 hazardous material spill
- 1 tree down

Medical emergencies continue to be the mainstay of the fire department's activity, and that is no surprise. This is consistent with departments across the nation that run an ambulance service. Of course, this has implications for our training, budgeting, and recruiting. A person cannot work on the ambulance, or treat patients without having one of the levels of medical certification. At the EMT level there is required continuing education and periodic recertification. I am proud to report that this department has a significant core of people who are willing to put in the time to not only stay current, but also continue to improve and expand their skills.

On the other side are our members who are certified at various levels as firefighters. While certification as a firefighter is not mandatory, our department strongly encourages and pays the tuition for basic and advanced levels of training. Many on the department are trained in both sets of skills.

At last year's Town Meeting the voters approved the purchase of a new fire engine. A contract was awarded to Central States Fire Apparatus Company to build the new engine. Delivery is scheduled for early April.

During 2002 the fire department experienced back-to-back wildland fires that required five consecutive days of fire suppression operations. This was the first time in the history of this department that such a challenge was faced. Preparations that were made over the years in forest fire equipment purchases, in outfitting a GSA 4×4 pickup truck, and in training were put to the test. The good news was that the department showed that it was up to the task that it was presented with. Lessons were learned, equipment shortfalls were identified, and improvements in forest fire fighting capabilities are being made. My thanks go out to the State Forest Rangers, the 18 towns that brought personnel and equipment, and the local merchants who supplied food and beverages, all of which enabled us to extinguish the stubborn deep burning fires.

Finally, I again want to thank the Town for the support it has given the department. Our success reflects your concern for the safety and well-being of our town and its people.

Respectfully submitted,
John M. Fischer, Chief

PEMI-BAKER HOME HEALTH AGENCY REPORT

Many exciting events have taken place over the past year. Perhaps the most significant one is that our agency, after nearly thirty-four years in business has changed its name and logo—a fresh new look to reflect our continued commitment to excellence in healthcare in the new millennium.

Pemi-Baker Home Health is a nonprofit New Hampshire licensed Medicare Homecare and Hospice certified agency. Services include skilled nursing care, geriatric nursing, IV nursing, Hospice nursing, Obstetric/Pediatric nursing, Psychiatric Nursing, Physical Therapy, Speech Therapy, Occupational Therapy, Social Workers, Home Health Aides, Homemakers, home safety assessments, Alzheimer's Respite (by arrangement), blood pressure clinics, diabetic education & support, annual flu clinic, DNR program, Hospice program, Long-term Care program, ostomy education & support, Private Duty and Respiratory Therapy (by arrangement), Immunization clinics and community education programs.

Agency staff made 80 visits in 2002 to the town of Hebron. Town appropriations, even though a small portion of our budget, help defray the costs of services either not covered at all or partially covered. Our charity care to those who cannot afford to pay for services along with inadequate funding from the state is lost revenue that continues to grow each year. Support from our towns as well as contributions to our annual fund campaign enable us to continue providing much needed services.

Some other significant programs have been initiated by the agency. We now use Telemonitoring devices in homes and can monitor high-risk cardiac patients by daily monitoring of their vital signs and weight. Another endeavor is collaboration with Spaulding Memorial Hospital that provides education and assessment of pregnant Medicaid recipients from one month into their pregnancy to one year of age for their child. Still another endeavor is our monthly health series that runs on Channel 3 public access station. Current health topics are discussed with guest speakers and the programs to date have elicited very positive feedback and requests for more. Pemi-Baker continues to collaborate with Plymouth Regional Senior Center in the adult Day Program that has been running since the summer.

The workforce shortage in nursing and other clinical direct care staff, along with a burdensome regulatory system, are but two factors that continue to challenge the home care industry as a whole. The road ahead continues to be paved with uncertainties as our population ages and health-care costs increase because of greater utilization. Pemi-Baker Home Health & Hospice will continue its commitment to quality programs and services that benefit our local communities.

Respectfully submitted,
Nancy and Hugh Sycamore
Hebron Representatives

REPORT TO THE PEOPLE OF DISTRICT ONE

by Executive Councilor Ray Burton

A new era is underway in the Executive Branch of your NH State Government, headed by Governor Craig Benson. I envision that his administration will be bringing new and innovative ideas of a modernized New Hampshire State Government, by utilizing tools of the new age of technology. This will bring enhanced services to the citizens and users of NH State Government. Through many checks and balances of power at the State Capitol, Governor Benson will not go too slow or too fast.

I encourage citizens to contact Governor Benson and offer to serve on a Board or Commission. Each biennium, more than 300 citizens are appointed to these public boards. The address is State House, 107 North Main St., Concord, NH 03301. The phone number is (603) 271-2121. A new administration is in Concord. Let's make very sure our region is a part of the Benson era of New Hampshire! For a listing of the Boards and Commissions under authority of the Governor and Council, please visit the Secretary of State website at webster.state.nh.us/sos/, or call my office at 271-3632.

As Councilor, I will be conducting official tours with Commissioners and Directors of State Agencies all summer and fall of 2003. If you have a special event or project you would like a certain agency to visit or focus on, please let me know.

As Councilor, I will be holding official summer 2003 hearings on proposed changes to the NH Ten Year Highway Plan. All Towns, Counties and Cities will be notified of this schedule of public hearings in your region. Please utilize your regional Planning Commission as a starting point for your transportation ideas and concerns. For detailed information on the Ten Year Highway Plan visit the Department of Transportation website: webster.state.nh.us/dot/.

All citizens and public agencies should contact our NH Congressional Delegation and ask for more support from Washington, DC. New Hampshire tanks near the bottom of the list of monies returned back from the federal budget.

For every dollar of taxation we send to Washington we get back ONLY 71 CENTS! Let's send many lists to Senators Gregg and Sununu and Congressmen Bass and Bradley and give them a chance to do better!

Please keep in touch with my office. I am at your service.

Raymond S. Burton
Executive Councilor

TAPPLY-THOMPSON COMMUNITY CENTER

2002 Report to the Town of Hebron

The Staff of the TTCC wishes everyone a Happy & Healthy New Year. 2001 was a very productive year at the TTCC. We completed a number of exciting projects. The main entrance porch of the Center was rebuilt and the other porch was enclosed to add much needed storage space. With 55 teams involved in our sports programs it is always difficult to find space for equipment and supplies.

We were fortunate to receive a grant from NH Rural Development to build additional office space and a computer room for the children. With this money we were also able to purchase new computers, a printer and a scanner. We will also be adding a homework area with this money.

The Center was pleased to have Lorraine Sullivan, a Plymouth State College student, do her internship with us throughout the winter and spring. With our busy after school program her help was invaluable.

Many new programs were added during the year. We started a Volleyball Program for boys and girls; a Field Hockey Camp for girls with the help of Kammi Reynolds and the Newfound Regional High School Field Hockey team; Adult Dance classes; Girls Basketball Clinic and expanded our Tot Time Program to two days per week.

The Center revamped our Basketball program this year. We split the third and sixth grade leagues to all boys and all girls teams. This was done to give the girls a better opportunity to learn the games and encourage more girls to participate.

The Center joined the Cal Ripken/Babe Ruth program this year allowing our 26 teams a better opportunity to play in tournaments and with other towns.

We want to thank the Newfound Area School District for their continued support of the Tapply-Thompson Community Center and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. During basketball season you will find our program in the Bristol Elementary School, Newfound Memorial Middle School and at the Bridgewater-Hebron Village School. We are grateful for their appreciation of the importance of Recreation in the Newfound Area.

In closing, the Tapply-Thompson Community Center wishes to thank the many Hebron volunteers that have donated their time and energies by working in our sports leagues, helping with our Haunted House, Santa's Village (we had 1,067 visitors this year), and our numerous other fund-raising and youth activities.

Thank you all! We couldn't do it without you.

Respectfully submitted,
Leslie Dion, Director of Recreation

GRAFTON COUNTY SENIOR CITIZENS COUNCIL 2002 Annual Report

Grafton County Senior Citizens Council, Inc. is a private nonprofit organization that provides programs and services to support the health and well-being of our older citizens. The Council's programs enable elderly individuals to remain independent in their own homes and communities for as long as possible.

The Council operates eight senior centers in Plymouth, Littleton, Canaan, Lebanon, Bristol, Orford, Haverhill and Lincoln and also sponsors the Retired and Senior Volunteer Program of the Upper Valley and White Mountains (RSVP). Through the centers and RSVP, older adults and their families take part in a range of community-based long-term services including home delivered meals, congregate dining programs, transportation, adult day care, chore/home repair services, recreational and educational programs, and volunteer opportunities.

During 2002, 40 older residents of Hebron were served by one or more of the Council's programs offered through the Plymouth Regional Senior Center:

- Older adults from Hebron enjoyed 475 balanced meals in the company of friends in the Plymouth center's dining room.
- They received 640 hot, nourishing meals delivered to their homes by caring volunteers.
- They received assistance with problems, crises or issues of long-term care through 67 visits by a trained social worker.
- Hebron's citizens also volunteered to put their talents and skills to work for a better community through 198 hours of volunteer service.

The cost to provide Council services for Hebron residents in 2002 was \$7,639.00.

Such services can be critical to elderly individuals who want to remain in their own homes and out of institutional care in spite of chronic health problems and increasing physical frailty, saving tax dollars, which would otherwise be expended for nursing home care. They also contribute to a higher quality of life for our older friends and neighbors. As our population grows older, supportive services such as those offered by the Council become even more critical.

Grafton County Senior Citizens Council very much appreciates Hebron's support for our programs that enhance the independence and dignity of older citizens and enable them to meet the challenges of aging in the security and comfort of their own communities and homes.

Carol W. Dustin
Executive Director

REPORT OF HEBRON GAZEBO COMMITTEE 2002

In spite of incredibly hot weather, residents of Hebron and visitors of all ages came to the Hebron Common to enjoy the variety of programs presented at the Hebron Gazebo during the summer of 2002. The popular *39th Army Band* brought over 400 people to hear the fine performance, and many people brought individual picnic lunches to give to the band members to have on the trip back home on their bus. The *Spectras*, billed as the Oldest Rock and Roll Band in New Hampshire, had people out of their chairs dancing and reliving the '50s and '60s. The *Muzzey Quartet* sang oldies from their hearts and the *Angel Band* presented traditional and contemporary Celtic music with an emphasis on the music of *Turlough O'Carolan*. The *Dixieland Strollers* brought banjo and southern showboat tunes, and the *Blake Mountain Band* played a variety of American folk and patriotic tunes and included a special number with fireworks coordinated in the background. The final event, Family Fun Day, featured the *Beige Acres Farm Petting Zoo*, games for all ages under the able direction of Tracey Steenbergen, Maine humorist *Joe Perham*, a best desert contest, the annual community supper sponsored by the Fire Department and, to cap the season, Jack Bradley's spectacular fireworks display. Each program had an audience of over 250 people, and the free popcorn provided by Bill White Realty was enthusiastically consumed by young and old.

Last year, the New Hampshire Charitable Trust and the New Hampshire State Council on the Arts, along with the Hebron Historical Society, private donors, and the taxpayers of Hebron supported the programs, which have brought fine, family entertainment to Hebron. The Gazebo programs are becoming "known" in the area, and several musical groups have contacted the coordinators to find out about playing in Hebron. Other people have asked to be put on a mailing list to be sure they do not miss any performances.

We have tentatively scheduled another season of interesting events for the summer of 2003 and hope the Town will continue to lend its support to the Gazebo Programs on the Hebron Common.

Respectfully submitted,
Everett N. Begor
Jane Ramsay
Gazebo Program Coordinators

LAKES REGION PLANNING COMMISSION REPORT

With a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, the Lakes Region Planning Commission (LRPC) provides a wide range of planning services to its members. Our work program is as comprehensive as it is full, with activities ranging from technical assistance, geographic information systems, transportation, land use and environmental planning, to economic development. We are funded from multiple sources including local and state government, as well as special studies. LRPC is contacted many times each week for answers to local concerns. We also continue to maintain a regular dialogue with state agencies that depend on us as a resource for the entire Lakes Region. Our goal is to provide support and leadership to the region, its governments, businesses, and citizens.

Here are some of our services performed on behalf of Hebron and the region in the past fiscal year:

- Furnished town officials with twenty-eight copies of their Subdivision, Site Plan and Zoning Ordinances.
- Provided information regarding the requirements for a town to request bonds to protect town roads during construction.
- Forwarded information to a town resident regarding historic district ordinances.
- Provided town officials with definitions regarding commercial vehicles.
- Supplied information on the planning board's ability to require a developer to pay for an inspection of roads in a proposed subdivision.
- Provided information regarding the procedure to elect a new chairman of the ZBA.
- Furnished information to town officials regarding site plan review for a canoe rental business.
- Coordinated the 17th annual Household Hazardous Waste Collection, the largest single day, multi-site collection in New Hampshire. Over 2,000 households from twenty-seven communities brought approximately 22,000 gallons of household hazardous waste products to the collection for removal.
- Performed over 160 traffic counts and several road inventories around the region, as the result of the annual work program with the NH Department of Transportation.
- Convened four area commission meetings that focused on Workforce Housing, Community Visioning, Intermodal Transportation Plans, and the National Groundwater Institute and Environmental Education.
- Facilitated several regional meetings that led to the construction of the Lakes Region Household Hazardous Product Facility in Wolfeboro.
- Produced the Annual Report on Development Trends in the Lakes Region.
- In cooperation with the NH Community Development Finance Authority, updated zoning maps for twenty-seven municipalities, and created a database of human services.

- Co-hosted and organized with the NH Municipal Association, three public Law Lectures where practicing attorneys provide a legal perspective on local planning, zoning, and other municipal issues.
- Hosted a regional National Flood Insurance Program (NFIP) workshop in cooperation with the NH Office of State Planning and the NH Office of Emergency Management.
- Initiated cooperative, regional efforts for groundwater protection, and for effective watershed planning.
- Increased capability to work with local communities to produce All Hazard Mitigation Plans.
- Prepared and adopted regional recommendations for Transportation Enhancement Funding.
- Continued to support the Pemigewasset River Local Advisory Committee.
- Represented the region on several committees including: the NH Transportation Enhancement Advisory Committee, the Statewide steering committee to update the NH Airport System Plan, the Belknap County Economic Development Council, the Northern Rail Task Force, among others.
- Contributed to area efforts interested in forming a Lakes Region Workforce Housing Action Committee, with participants from the private, municipal, and nonprofit sectors.
- Convened several meetings of the LRPC Transportation Technical Advisory Committee to improve transportation planning, project development, and communication around the region.

It has been a pleasure serving you, and we look forward to continuing our efforts to meet regional needs.
